

Misquah Cottage Experience

Summer 2010

February 17, 2010

Hello Everyone!

Once again, we (Skye Pelletier & Sarah Mark) will be returning to the cottage as co-directors for a second year! We are extremely thrilled to have the opportunity to spend our summer with MCE and all of you for a second time as directors, however our fourth year all together.

First, allow us to re-introduce ourselves. Our names are Skye Pelletier and Sarah Mark and as mentioned above, this will be our fourth consecutive year working with MCE (Two years as counselors, and two as directors). We thoroughly enjoyed our time and experiences with the guests at the cottage in previous years and cannot wait for the next to begin! Skye Pelletier graduated from the DSW program in 2006 and since then has had an active career within the field. Sarah Mark is currently in her second year of the DSW program and also has an active career within the field. We both currently do personal care for a gentleman with Cerebral Palsy among other odd jobs and school placements. We are especially looking forward to this year as we have compiled our experience, staff's input and guest's suggestions to create a fun and exciting filled summer for all of us! As we all know, there is always room to make the program greater than before! However, we will continue with the past traditions of 10 clients per session. The session choice is by first come first serve. We will do our best to provide the first preference to all of you however, once we have accommodated, as much as possible we will move onto second preferences.

Our first session will begin the same week as last year, on July 3rd, 2010. The pick-up times will remain as follows:

1) Arrival time is 3pm on Saturday (the first day)

2) Departure time is 1pm on Friday

I ask that you please respect these times closely as they provide the staff with the necessary time to do errands and cleaning between sessions. Once you have been notified of your acceptance to your session(s) for the summer, I ask that you please pay the remainder of the fee owed by **June 1st**.

We hope to see everyone at the Misquah Cottage Experience this summer! We are looking forward to relaxing on the beach, having some amazing home cooked meals, and having fun on some exciting outings!!! Let's have a great summer together!
