

Misquah Newsletter Spring 2007

16 May 2007

Dear Friends of Camp Misquah and the Misquah Cottage Experience

With summer just around the corner, preparations are well underway for the 2007 programs. Camper registrations have been coming in and the Directors are now in the process of hiring staff. Thanks to generous donations and a successful year of fundraising, there is no increase in camper fees for 2007. We are looking forward to another memorable Misquah summer!
